New Member Ambassador report (1)- As of Thursday: There were 2 new memberships added in July. One family membership was recruited by Don Clukies and the other by Mike Proto. Grand Prix Report (2/2)

1. The schedule has been updated again, with an important date change (Black Goose Half Marathon is now Sunday, Oct. 4, at Pierce Field in East Providence, not Oct. 25).

2. There will definitely be a 10-race schedule, even if all the races that are expected to be canceled get canceled. As a result, club runners will now need to run five races instead of seven to qualify for the Grand Prix prize money.

3. The next Grand Prix race will be the Common Fence Point informal 5-Miler this Sunday morning in Portsmouth. There will be an impartial timer there, and the results will be emailed to me and most likely also posted on the club's Facebook page. This will be one of the two options in the "Crazy Clam/Common Point Fence 5-Mile Series", with the other 5-mile option being the Crazy Clam 5-Miler on Sunday, Sept. 20, at the East Providence Yacht Club.

Website (2/2) - Confirmed our domain name will be renewed in September; Updated the Grand Prix schedule and requirements; Added the recent newsletter and meeting minutes; Cleaned up a few more minor areas
